

RUMBLESTONE REC 4.5CM

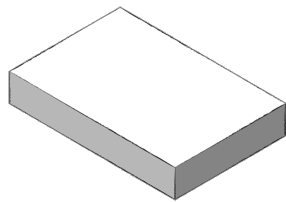

PRODUCT NUMBER # 909

- Rumbling process breaks and softens sharp edges and corners to create the timeless look of weathered cut stone
- Versatile 3:2 shape easily forms stacked, runner, and herringbone patterns
- Suitable for behind-curb, pedestrian applications, such as patios and sidewalks, with proper pavement design and installation
- Joints and surfaces are designed to create a natural look, minimize furniture wobble, and meet ADA gap and lippage requirements
- Made of durable concrete that won't decay, distort, or attract pests. Iron oxide pigments won't fade with extended UV exposure

The RumbleStone system includes a set of rustic building blocks for your outdoor hardscape projects. The weathered appearance offers a natural look and feel, adding texture and depth to both vertical and paving applications. RumbleStone can be assembled in an infinite variety of configurations and orientations. Increase the possibilities for creative expression in your backyard landscape using RumbleStone and enjoy its beauty, versatility and strength.
