

## NEW ENGLAND 6X3|6|9 3CM

PRODUCT NUMBER # 283

- Gently undulating surfaces and softened edges create the timeless, old-world look of weathered basalt setts
- Designed to be installed in an efficient repeating runner or ashlar pattern, with equal numbers of 1/2, square, and 3/2 stones
- Suitable for behind-curb, pedestrian applications, such as patios and sidewalks, with proper pavement design and installation
- Joints and surfaces are designed to create a natural look, minimize furniture wobble, and meet ADA gap and lippage requirements
- Made of durable concrete that won't decay, distort, or attract pests. Iron oxide pigments won't fade with extended UV exposure

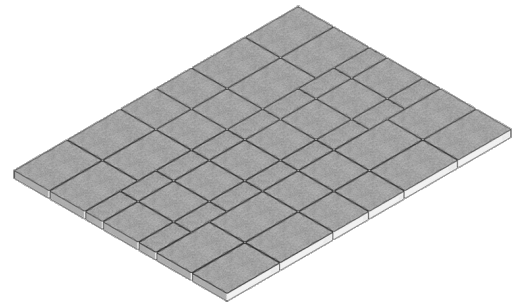

The New England series features undulating surfaces and rounded edges which recall the timeless appeal of weathered basalt setts. Designed for repeating random runner and ashlar patterns, New England installs quickly and creates the aesthetic of historical Old World pavements. New England is available in a combination of three modulating sizes and in 3cm height to suit overlay applications.
